This 5-bedroom, 4046 sq ft home in the peaceful enclave of Blue Grouse Ridge offers space, comfort and mountain charm. The generous foyer opens into a spacious Great Room, featuring rich walnut flooring. In addition, select sections—such as the foyer, powder room, main-level hallway and mudroom, feature elegant travertine flooring, offering timeless natural stone appeal and durability. The living room boasts a striking Rundle stone gas fireplace and vaulted ceilings. The custom kitchen is thoughtfully designed with a premium Wolf Gourmet Range and a large island—perfect for culinary enthusiasts. Also on the main level is a spacious dining room that opens onto a large, sun-filled view deck—complete with a luxurious hot tub, rear yard, and an impressive outdoor stone wood-burning fireplace, ideal for entertaining or relaxing under the stars. The family room, with vaulted ceilings and a cozy Riverstone wood-burning fireplace, is framed by French doors that offer privacy. Up the Walnut staircase with elegant wrought-iron railings, you'll find a serene master retreat with vaulted ceilings and a spa-like ensuite, featuring a steam shower and soaker tub. Two additional bedrooms and a four-piece bath complete the upper level. The lower level includes a home theatre room, a gym or games area, two additional bedrooms and a 4-piece bathroom, a wine cellar, an enormous storage room—and in-slab heating throughout for year-round comfort.
